

## Patterson

Captivated by a photograph of an Art Deco desk, we replicated the piece's simple design and cast it in luxurious Macassar Ebony. The piece's step base gives it the appearance of floating and this, along with the wood, works to lend the desk a sense of ethereal elegance.

Options: Available in all woods and finishes

Curved Patterson Desk

C-07-3100 83"W x 29"H x 39"D
