

Hagen

Drawing its inspiration from a piece we found at a New York antique shop, this table echoes the Cubism that dominated the Viennese art scene of the 1930s. Although firmly rooted as a period piece, the table's clean geometry fits snugly into our own modern sensibilities. The piece is shown here in Natural Santos Rosewood.

Options: Available in all woods and finishes

Base dimensions increase in proportion to the size of top from 42”Dia. to 72”Dia.
