

Nantucket

When we originally created this table for a family on Nantucket, we wanted to draw from the region's celebrated sea-faring tradition and the simple elegance that sprang from it. The classic C-shaped legs evoke the calm of a New England afternoon by the sea. The table is shown here in Natural French Walnut with Cherry on Zebra wood inset top.

Nantucket Perimeter

This piece offers added luxury to one of our most popular dining tables. Skillfully crafted leaves allow the table to accommodate larger parties while maintaining a circular shape. The piece is shown here in Natural French Walnut with a dual line of Ebony inlay and shaped edge detail.
