

## Parsons Dining Table

Inspired from one of the most iconic designs of the 20th century, this dining table represents classic contemporary furniture at its best. Unlike the traditional piece with square legs, this table's legs have been sliced providing sharp, clean lines.

Available in all sizes and finishes. Shown here in sandblasted gray driftwood on walnut. Shown here at 96"L, 45"W, 30"H Custom sizes and multiple finish options are available.
